DING DONG SONGS

Monkey see monkey do
I have lots of fun watching you
We eat lettuce we eat bamboo
Maybe we eat a banana too
If it's a bug we're having a bite
We like to share so we don't fight

I never know what you'll see
When you are being me
I am cool you are neat
You have hands on your feet
We walk on dirt and swing in trees
Sit on rocks and feel the breeze

Monkey see monkey do
We're having fun watching you
Stomp your feet and clap your hands
Cus we're playing in the jungle band
Now make that funny monkey sound
Oh what's that smell? — Howdy doody!

It's much more fun when you monkey around
Come on monkey around!
Monkey around!

Look! Look!

So many puffy clouds... I'm excited
This is a party and we're invited
We shout "Yippee!" as clouds float by
They act surprised cus we can fly!

Hey hey we can fly!
Just like the birds in the sky
We say hello and wave goodbye
Oh so high up in the sky

Look look we're flying!
Look look we're flying!

On the ground things are very small
Maybe we're just really tall
Clouds to the left and sun to the right
Oh boy oh boy what a sight!

Hey hey we can fly!
Just like the airplanes in the sky
We wave hello and say goodbye
So very high up in the sky

Look look we're flying!
Look look we're flying!

We never fear them
never never fear them

They like to talk but
we don't even hear them

We never fear them
we just disappear them

BOO!
